The first charter was granted Oct. 22, 1746, under the title of the College of New Jersey. A second and more complete charter was granted Sept. 14, 1748. After the war of the Revolution the charter was confirmed and renewed by the legislature of the New Jersey. On Oct. 22, 1896, the 150th anniversary of the first charter, the title Princeton University was assumed.

Prost (Maurice) [1879-]. * Contribution à l'étude de l'anesthésie générale mixte par l'emploi combiné du chlorure d'éthyle (kélène) et du mélange de Billroth. 125 pp., 1 l. 8°. Lyon, 1904, No. 138.

Prost (P.-A.) Coup-d'œil physiologique sur la folie, ou réflexions et recherches analytiques sur les causes qui disposent à cette maladie, et sur celles qui lui donnent lieu et qui l'entretiennent; suivies des diverses méthodes qu'il faut employer dans son traitement en raison de ses causes. Ce sujet est traité sous des points de vue nouveaux; c'est une exposition succincte de faits déjà connus, et de faits découverts depuis peu sur les cadavres, particulièrement dans les viscères du ventre, où l'on trouve les causes essentielles de cette maladie. 32 pp. 8°. Paris, *Demonville*, [1806].
